Year 1914-15 CC#1

Circular Letter No. 78.

March 17, 1915.

To Continuation Teachers and
Teachers of English.

The Legislative Assembly has made provision for 110 Teachers of English at $75 per month and 50 Continuation School Teachers at $80 per month for the school year 1915-16. The salaries therefore have not been reduced and the number of positions remains the same as we have for this year.

It will be some weeks before we can make any definite offers of appointment. We are, however, making our preliminary plans and I wish you would notify me by return mail whether or not you desire to teach in Porto Rico next year and whether you would care to consider an appointment at the same salary. I am requesting this information because there is always a considerable number of teachers whose plans are definitely determined at this time of the year.

A statement from you will in no way preclude the possibility of promotion if the good of the service warrants.

Yours very truly,

E. M. BAINTER
Commissioner of Education
